

# Supporting Ealing Choral Society

[www.ealingchoralsociety.org.uk](http://www.ealingchoralsociety.org.uk)  
Registered Charity 278174

Ealing Choral Society has been in existence since 1962, performing three main concerts a year and a charity carol concert. We are committed to upholding the proud tradition of choral singing and giving performances to the highest standard.

ECS receives no public money towards the cost of its concerts. Concert costs are underwritten in part by ticket sales and advertising revenue but generally have to be subsidised by members' subscriptions, fund raising, and donations from people who support the performance of choral music.

We value financial support highly because it enables us to programme a wider range of choral music than we might otherwise be able to afford and assures we draw an enthusiastic audience to our concerts.

Please consider supporting ECS financially. In return for your generosity in making a donation towards the choir's concerts we:-

§ Confer Associate Membership on individuals.

§ Acknowledge your personal financial support in all our concert programmes.

§ Invite you to a drinks reception before one of the concerts each season to thank you for your support.

§ Provide a discount on advance purchase tickets (10% on one ticket per concert for single membership and on two tickets per concert for household membership).

§ Send you advance information about concerts and other activities along with background information about concert programmes and choir news in a lively newsletter three times a year.

§ Invite you to participate in the choir's social activities and tours.

We ask for a minimum donation of £15 a year for single membership or £20 a year for household membership. If you are a UK tax payer, please also gift aid your financial support.

Please take the time to complete the attached form and return it to the Associates Secretary. If you would like further information, see contact details below. Thank you for your support!

We are compliant with General Data Protection Regulations and can supply a privacy statement on request.
